

SHOES

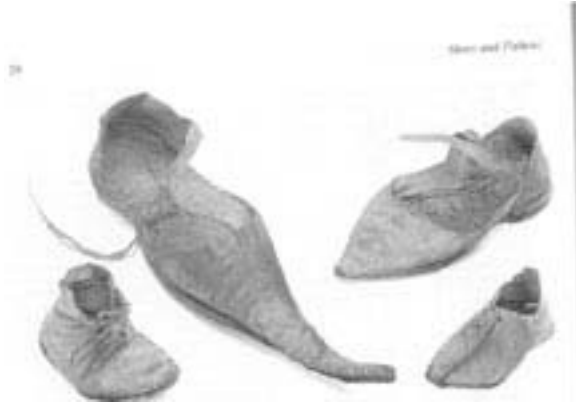

PATTERNS

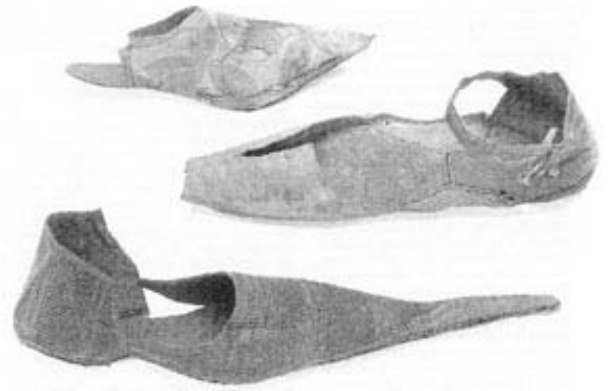

43 Composite leather-socked pattern and finger wooden patterns (late 18th-century). For the drawings see Figs. 135, 136 & 140.

PATTERNS

Shoes and Patterns

45 Late 18th-century 18th-century shoes and boot. The shoes were laced with ruggles for the feet and were made of the same. This of the shoes has been all it incorporates a highly different foot than before it. 111 & Fig. 140. For the drawings of the shoes see Figs. 48, 49 & 51.
